Registration

WHO'S YOUR HOME? Nests, tunnels & holes ~ July 20

WINGS & THINGS ~ July 13

MUD PIES ~ June 29

AUGUST 28

AUGUST 27

AUGUST 26

DOODLEBUGS—Art in Nature ~ June 22-26 & July 27-31

Creative fun using natural materials and inspiration from nature. Explore the shapes and sounds of nature. Children create natural art using materials discovered and collected.

MUD PIES ~ June 29-July 3 & August 3-7

Where did that mud come from? Experiment with soil, make mud, jump in a mud puddle, create mud pies and more. Be prepared for a muddy good time!

WINGS & THINGS ~ July 13-17 & August 17-21

Gather up your boxes, hand lenses and off we go to inspect and discover where the critters are. On our safari we shall look for 8 and 6 legged critters as well as birds and mammals that call Peace Valley home. Each Friday is stream day. We will discover who lives in our steam. A fun day of exploring meadows and streams.

WHERE'S YOUR HOME? Nests, tunnels & holes ~ July 20-24

Do you live in a house? What is it made of? Hmmm... What do you think animals do for a home? Let's go discover where the animals that live around here make their home.

Each Friday is stream day. We will discover who lives in our steam. A fun day of exploring meadows and streams.

WHO GOES THERE? ~ June 22-26 & July 27-31

Travel through meadow, forest and thicket to discover clues as to what critters were there. Discuss the possibility of why they would or would not find a particular habitat inviting.

KID VS WILD ~ June 29-July 3 & August 3-7

What can you do? Pit your abilities against those of nature. Who or what has the ability to do what is needed? Many different tasks, learn to explore and function in the wild.

NATURE'S POWER ~ July 6-10 & August 10-14

From plants, mud, wind and solar. We shall experiment and discover the power of nature.

PREDATOR TO PREY ~ July 13-17 & August 17-21

Who eats who? What do they have that enables them to survive? Check out the teeth, eyes, coloration and other adaptations. Explore the stream, and other habitats to search for evidence of these elusive critters.

MYTHS & FOREST LEGENDS: Forest Discovery—July 20-24

Fairies, wee folk and legends of the native Americans. Travel into the forests to create your own wee folk abode as well as discover legends of old about the forests, trees, nature and their importance to us.
